R.G. KEDIA COLLEGE

(Affiliated to Osmania University, Recognized by AICTE)

3-1-336, Esamia Bazar, Opp. New Chaderghat Bridge, Hyderabad- 500027.

E-WASTE MANAGEMENT

E-WASTE MANAGEMENT PRACTICES

Institution has created a thorough E-waste policy and strategy which emphasizes appropriate electronic waste disposal and recycling in order to reduce the environmental effect. The strategy is revised on a regular basis to keep up with changing rules and best practices.

The college aggressively promotes e-waste awareness among students and staff. On campus, designated collection locations have been set up to assist the safe and convenient collection of electronic items that are no longer in use.

E-waste is disposed of in accordance with applicable environmental legislation and recommendations. College works with authorized e-waste management authorities to guarantee that dangerous components contained in electronic devices are safely disposed of.

Solid Waste Management

Solid waste management is critical to preserving a clean and sustainable environment. The College understands the need for ecologically responsible waste management and has created a detailed policy and plans. The policy prioritizes trash reduction, recycling, reuse, and the safe disposal of non-recyclable garbage. The strategy is evaluated and modified regularly to reflect developing sustainable practices.

Waste segregation at the source is critical to our waste management approach. The College has established a color-coded bin system to separate garbage into various categories, including recyclables (paper, plastic, and metal), organic waste, and non-recyclables. Prominent signs and awareness programs are in place to educate students and staff on appropriate trash segregation.
