Topic Name: Webinar on International Plastic Bag Free Day

Event Type: Faculty and student development Program of UG & PG

Objective: The webinar sought to increase understanding of the harm that plastic bags do to the environment and explore sustainable alternatives.

Speaker Name: Dr.B.V.Subba Rao, National Expert Environmentalist

Event Date: 3rd July 2021

The Webinar commenced with the lighting of the lamp by our esteemed Guest Dr B.V. Subba Rao.

Objectives:

- Increase public awareness of the damaging consequences that plastic bags have on the environment.
- Inform participants about environmentally friendly bag replacements.
- Motivate participants to take initiative and lessen their use of plastic bags.

The speakers shared insightful information on issues like the negative effects of plastic bags on the environment, eco-friendly bag alternatives, and internationally recognised success stories. The webinar ended with a call to action, pushing listeners to embrace sustainable practises, raise awareness, and use fewer plastic bags.

The webinar on International Plastic Bag Free Day met its goals of increasing awareness and educating participants on the effects of plastic bags on the environment with great success. We received good feedback from attendees, and the event attracted a lot of interest and interaction. We intend to continue our efforts to encourage sustainable practises inside our organisation and expand on this momentum going forward.

The Chief guest was felicitated by our director DVG Krishna. The session concluded with vote of thanks by Sri Hari, Principal, Degree. Feedback forms from the students were also collected.

REPORT ON INTERNATIONAL YOGA DAY

Since its debut in 2015, June 21 has been designated as International Yoga Day. It is a worldwide celebration of the traditional yoga practise, which has its roots in India and dates back thousands of years. In order to promote yoga's all-encompassing approach to health and wellbeing and to draw attention to the many advantages of practising it, the United Nations General Assembly designated June 21 as International Yoga Day.

We are glad to provide a thorough report on International Yoga Day's great celebration on 21st June 2022 at MSS R G KEDIA COLLEGE. The purpose of the event was to introduce the college's students, teachers, and staff to the practise of yoga and all of its advantages.

A certified yoga instructor Mrs.Usha guided the participants through a number of asana, pranayama, and meditation exercises.

The Chief guest for the event was Dr Nageshwar Rao, Director IQAC, Osmania University and Guest of Honour was Prof Vandana Samba, Director Research, St Joseph Degree College.

Variations that were appropriate for individuals with various levels of fitness and expertise were included in the programme.

The proper posture, breathing methods, and therapeutic advantages of each asana were explained in great detail. Participants enthusiastically participated in the exercise and followed the instructor's instructions. The seminar came to an end with a part on relaxation and meditation, which encouraged serenity and inner peace.

Feedback and Participation:

Nearly 150 Students, educators, and 20 staff members all participated enthusiastically in the event. Participants expressed their gratitude for the occasion and emphasised the beneficial effects it had on their physical and emotional health.

To get participant feedback on yoga-related activities at the college, feedback forms were provided. In conclusion, the staff, students enthusiastically participated in and provided comments on the celebration of International Yoga Day. The occasion not only promoted total health and well-being but also emphasised the college's dedication to holistic education and its students' entire growth.

REPORT ON GENDER EQUALITY AND WOMEN'S RIGHT

'International Women's Day at MSS R G KEDIA COLLEGE was successfully organised on 8TH March 2022, a celebration and empowerment of women along with a push for gender equality and increased public knowledge of women's rights.

A committed organising committee made up of professors, students, and members of clubs or organisations that focus on women was established. The committee was in charge of organising and planning all aspect of the event, including the venue selection, publicity, and participant participation.

Dr D V G Krishna gave the opening address at the event,

emphasising the importance of International Women's Day and its topics. Inspiring discussions or presentations on issues connected to gender equality, women's empowerment, and overcoming social hurdles were given by eminent guest speakers, including female leaders, activists, or professionals.

Participants expressed their gratitude for the occasion, highlighting its influence on their awareness, education, and motivation to support gender equality.

In order to gather participant feedback for upcoming women-centric projects or activities at the college, feedback forms were distributed.

The gathering came to a close with a closing ceremony when attendees were urged to consider the conversations and make a commitment to advancing gender equality in both their personal and professional life.

REPORT ON TRAFFIC AWARENESS PROGRAMME

A report on the **Traffic Awareness Programme** for students was organised successfully on 18th September 2021 at R G Kedia College. The program's objectives were to inform and increase student understanding of traffic laws, road safety, and responsible driving.

To raise awareness of the programme, extensive promotional activities were carried out. Reaching out to the college community involved using posters, banners, and digital media outlets.

To inform students, instructors, and staff of the program's goals, emails, newsletters, and social media announcements were delivered to all of the aforementioned parties.

To offer educational talks on traffic laws, safe driving techniques, and the significance of adhering to traffic regulations, authorities such as traffic police officials or advocates for road safety were invited as guest speakers. To actively engage the pupils and impart useful information about road safety, interactive sessions, workshops, or demonstrations were held.

The effects of careless driving and the significance of responsible behaviour were illustrated through

real-world case studies, movies, and simulations. Students' questions and any misunderstandings about traffic laws and road safety were clarified through discussions and Q&A sessions.

In conclusion, the Traffic Awareness Programme conducted for Students proven to be a beneficial educational project, teaching in students the value of responsible behaviour and observance of traffic rules. The programme seeks to contribute to safer roads and a decrease in accidents within the college community by providing students with the essential information and skills.

We wish to express our appreciation to the management for helping to plan this programme and for their encouragement. By placing a high priority on traffic awareness, demonstrates its dedication to the health and safety of its students and the neighbourhood.

REPORT ON AWARENESS PROGRAM ON GOVERNMENT AND OTHER COMPETITIVE EXAMINATION

As a part of CSR initiative program an awareness program on Government and other competitive examination was organised by the college in the premise to prepare students to go for Government and other competitive exams. The recourse person for the session was Dr. Ramana from Click academy. The program was designed to give students the skills and tools they need to work in the public sector or other competitive industries. Sessions were planned to give thorough information on various tests, eligibility requirements, exam formats, syllabi, and significant dates. The students were given access to and recommendations for pertinent reading materials, online databases, and reference books.

Objectives:

The Awareness Programme has the following goals: a) to educate college students about various competitive tests and government examinations.

b) To offer direction and assistance with exam study techniques.

c) To introduce students to the selection and application procedures.

d) To advertise the advantages and possibilities of working for the government and in a competitive job market.

The result and outcome of the session was

- Greater awareness: Students' knowledge of various government and competitive exams and the corresponding employment options was much improved by the programme.
- Greater preparation: Students reported greater understanding of exam patterns, syllabi, and time management strategies, as well as an improvement in confidence when it comes to exam preparation.
- Increased participation: In comparison to prior years, more students actively participated in government and competitive tests.
 - Positive comments: Participants praised the programme and highlighted the value of the expert sessions, mock exams, and customised coaching they got.

College students' participation increased thanks to the awareness programme on government and other competitive tests, which also helped students better prepare for the exams and raise their level of awareness of them. Students' ability to pursue successful professions in these fields was greatly aided by the programme in providing them with the information and tools they needed. The college can keep helping and directing students while they pursue chances in the public sector and in highly competitive jobs by putting the suggestions made into practise.

REPORT ON AWARENESS PROGRAMME ON COVID-19 VACCINATION

For college students, a COVID-19 vaccination awareness programme was held on 20th January 2022 at R G KEDIA COLLEGE. The program's main objectives were to raise awareness of the necessity for COVID-19 vaccination, allay worries, and provide accurate information about its advantages.

Objectives:

The following goals were set for the COVID-19 vaccination awareness programme:

- a) To inform college students of the value of the COVID-19 vaccine in preventing the virus's spread.
- b) To clarify rumours, misunderstandings, and worries regarding the COVID-19 vaccine.
- b) To encourage and inspire students to get immunised.
- d) To offer details on the timing, scheduling, and immunisation procedure for vaccines.
- e) To encourage moral conduct and observance of COVID-19 safety guidelines even after vaccination.

OUTCOME:

The course helped students comprehend the COVID-19 vaccine, its significance, and how it helps to stop the virus from spreading. A lot of misconceptions and worries about the COVID-19 vaccines were successfully dispelled, which helped kids understand and accept immunisation. The informative sessions, interactive conversations, and accessibility to trustworthy materials were all praised by participants as aspects of the programme that they found to be beneficial.

CONCLUSION:

The COVID-19 Vaccination Awareness Programme for College Students was crucial in raising awareness, busting myths, and enticing students to get immunised. The programme successfully boosted immunisation rates and promoted responsible behaviour among college students by addressing concerns and delivering correct information. The college can support and educate students about COVID-19 immunisation by following the advice given by putting it into practise, which will help with overall efforts to stop the virus's spread and maintain a secure campus environment.

REPORT ON LEGAL AID PROGRAMMES

As a part of Corporate Social responsibility, a legal aid programmes is initiated in collaboration with Department of Law by the college to help those who are economically disadvantaged access legal services. The programme sought to help persons who might otherwise face obstacles to justice, by offering them support, direction, and representation.

The legal assistance programme had the following goals:

- To offer free or inexpensive legal services to those who cannot afford legal representation.
- To improve economically marginalised people's access to justice.
- To teach students about legal matters and promote social responsibility.
- To encourage students' development of real-world legal abilities through practical experience.

Outcome:

- better access to justice: People who are economically disadvantaged and might not have been able to afford legal services now have a better opportunity to access the court system.
- Empowered communities: The programme empowered communities by educating them of their legal rights and assisting them in navigating difficult legal issues.
- Law students' involvement in actual court cases helped them get valuable practical experience and develop crucial abilities, which improved their readiness for the workplace.

In summary, the college's legal aid activities have significantly improved the ability of those who are economically disadvantaged to access the justice system. The college has empowered communities through the provision of legal counsel, advocacy, and education programmes. In addition, it has given law students practical experience and a feeling of civic duty. The suggestions made can be put into practise.

REPORT ON COVID-19 IMMUNISATION DRIVE

On 6th January 2022, MSS R G Kedia college successfully held a COVID-19 immunisation drive. The campaign's goal was to provide academics, staff, and students the chance to get the COVID-19 vaccination and participate in the campus-wide effort to stop the virus's spread.

A committed team from the [College Name] worked with the regional healthcare authorities to carefully plan and carry out the immunisation push. The crew made sure there had vaccinations, the required medical equipment, and qualified medical personnel to deliver the shots before the journey. Additionally, they shared information about the immunisation push across numerous communication channels, which promoted mass involvement. Around 180 students participated in the vaccination drive.

The campus was turned into a well-organized vaccination centre on the day of the immunisation push. A seamless and effective flow of participants was guaranteed by the method.

Registration process, Documentation, Pre - vaccination, Counselling, Post-vaccination observation were the main activity performed in this camp.

The College COVID-19 immunisation drive was a great success, improving the general wellbeing and security of the college community. The initiative successfully immunised a sizable number of people, as well as raising knowledge and allaying fears about COVID-19 vaccinations via careful preparation, effective execution, and extensive involvement. The programme displays college's commitment to placing a high priority on the health and welfare of its students, professors, and staff.

The college will carry out actions to guarantee a secure and healthy campus environment and support vaccination campaigns in the future. The success of this vaccination campaign serves as a model for other educational institutions and emphasises the value of teamwork in the fight against the COVID-19 pandemic.
