Glimpse of Activities..

The Campus:

Infrastructure: The campus features administration office, faculty room, well ventilated classrooms, a library & Computer labs.

- * Fully AC Conference hall and auditorium for cultural activities
- * Ground for sports and games
- * 24 hours internet access (Wi-fi enabled campus)
- * Canteen
- * Ample Parking Facility

Library: Our well-equipped library caters to the professional, academic, and intellectual growth of students. It offers a wide selection of journals, magazines, and newspapers from both national and international sources.

Computer Lab: Our computer lab is equipped with the latest Intel-branded systems and essential software, supported by a high-speed 150MBPS internet connection. With a student-to-system ratio of 1:4 and secure Wi-Fi, the lab is managed by efficient and knowledgeable staff.

Research, Training, Career Consultancy & Student Placement: Industry Interface

Our dedicated research & placement training cell offers comprehensive support to students, guiding them towards their career aspirations. This office facilitates opportunities for students to interview with prestigious companies.

Esteemed organizations such as Genpact, Cognizant, Factset, Tech Mahindra, Axis Bank, ICICI Bank, IDBI Bank, and many others have visited our campus and successfully recruited our students.
