

UG Students Feedback Form

Total No of Students feedback collected: 269

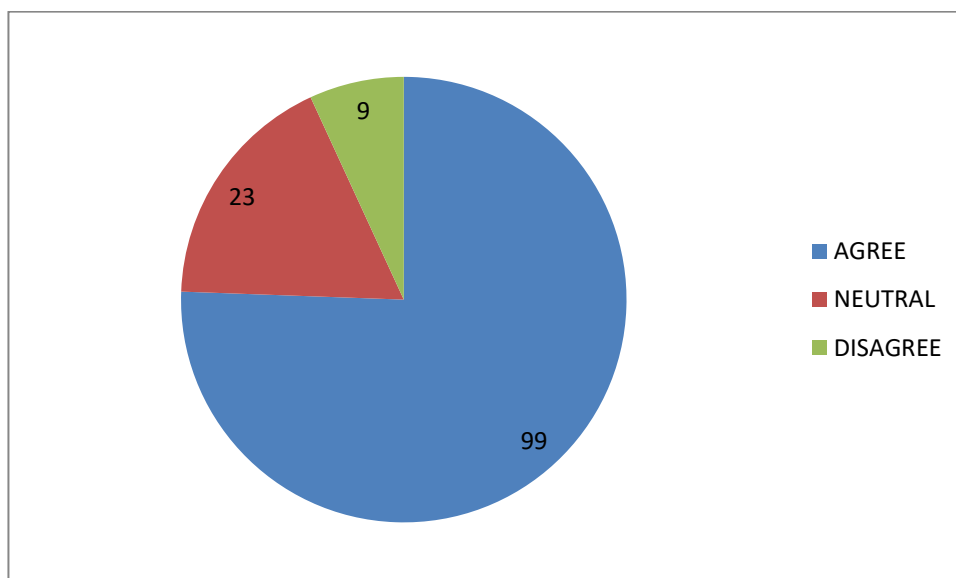

Feedback type: Offline

The Students are the veritably important stakeholders of the institution .In internal and external quality assurance cell the students play a significant role in the feedback collection and in the process of progression of the institution .In this process 269 student's feedback collected from all the departments of UG, MBA & MCA.

All the responses on different aspects are presented below according to the departmental wise.

1. The curriculum enhance students practical and research oriented skills.

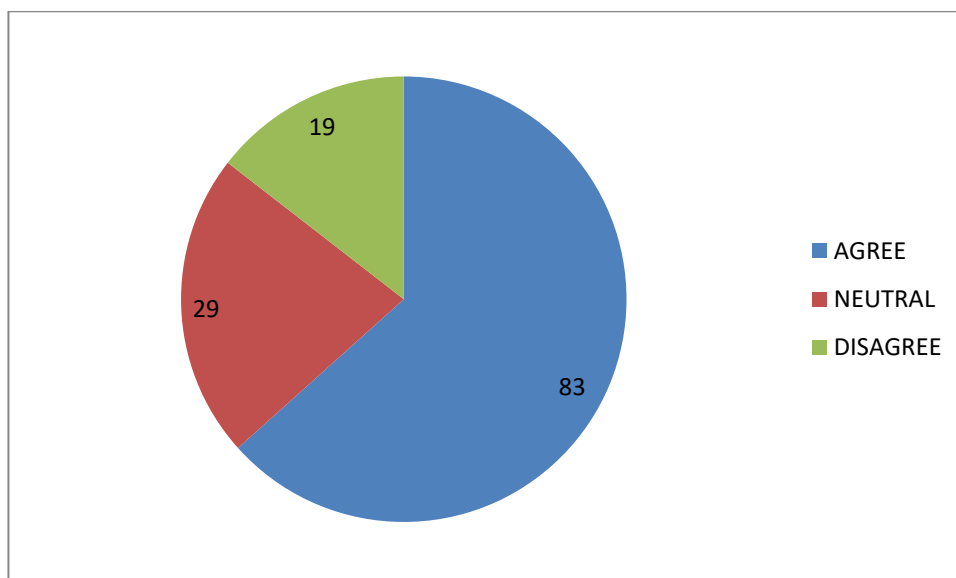

131 Responses

- From the above analysis, 99 students agree that the curriculum is enhancing the student practical and research oriented skills and few of them responded it as neutral and disagree with this.

2. The present syllabus is designed & revised to cater the needs of the students.

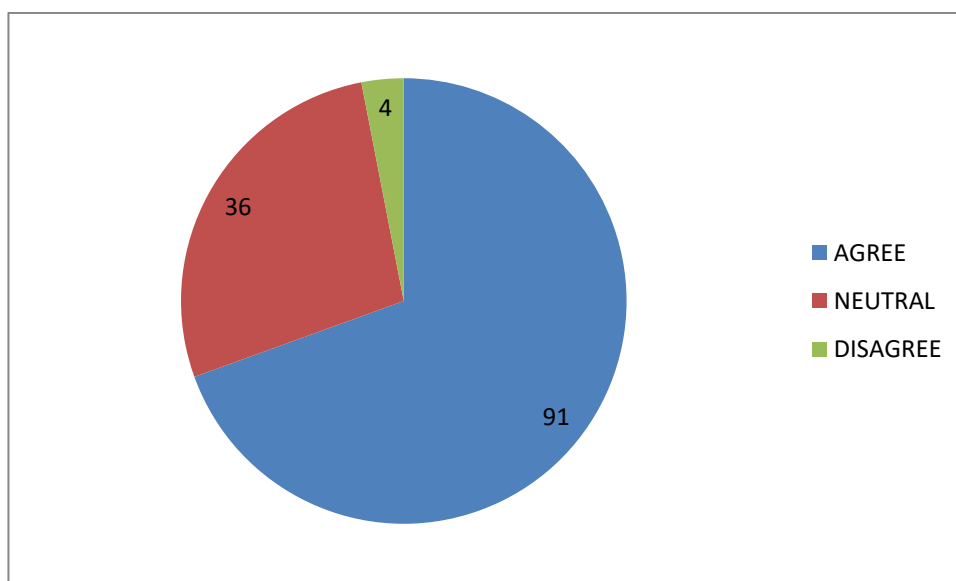

131 Responses

- From the analysis ,83 students has agreed that the present syllabus is designed and revised to cater the need of the students ,29 students are responded it as Neutral and 19 students are disagree with this .

3. The present semester CBCS curriculum focuses on student's centred learning.

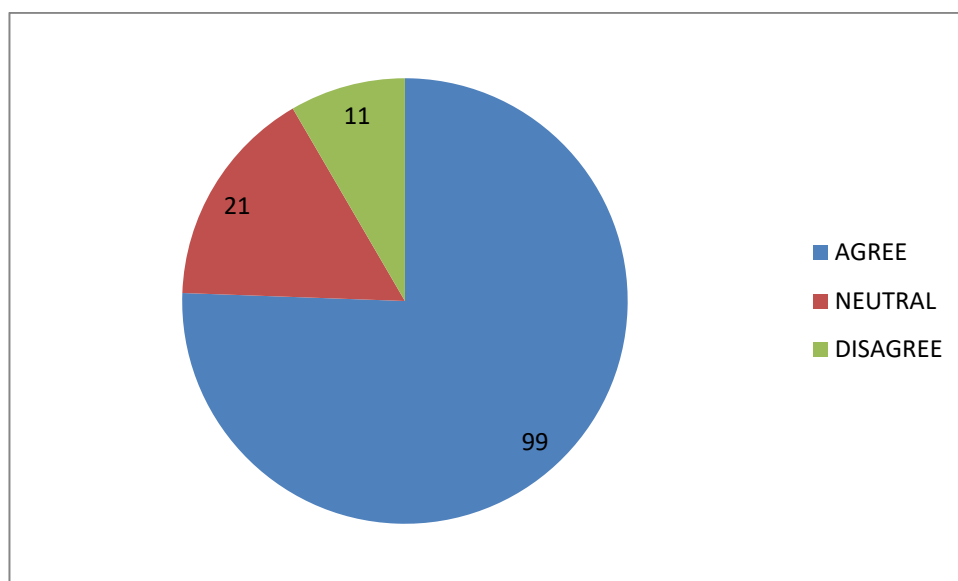

131 Responses

- From the above analysis, 91 students agree that the curriculum focuses on student's centred learning and few of them responded it as neutral and disagree with this.

4. Course contents and outcomes of the program are discussed with students.

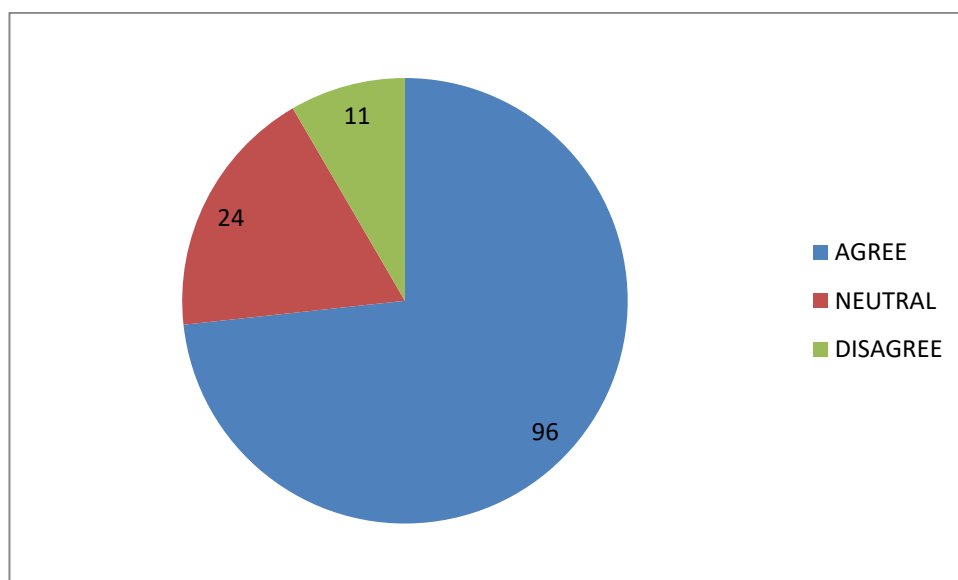

131 Responses

- From the analysis, 99 students have agreed that the Course contents and outcomes of the program are discussed with students, 21 students are responded it as Neutral and 19 students are disagree with this.

5. Academic projects / field projects / Internships in the curriculum facilitate experiential learning & bridge the gap between industry & academics.

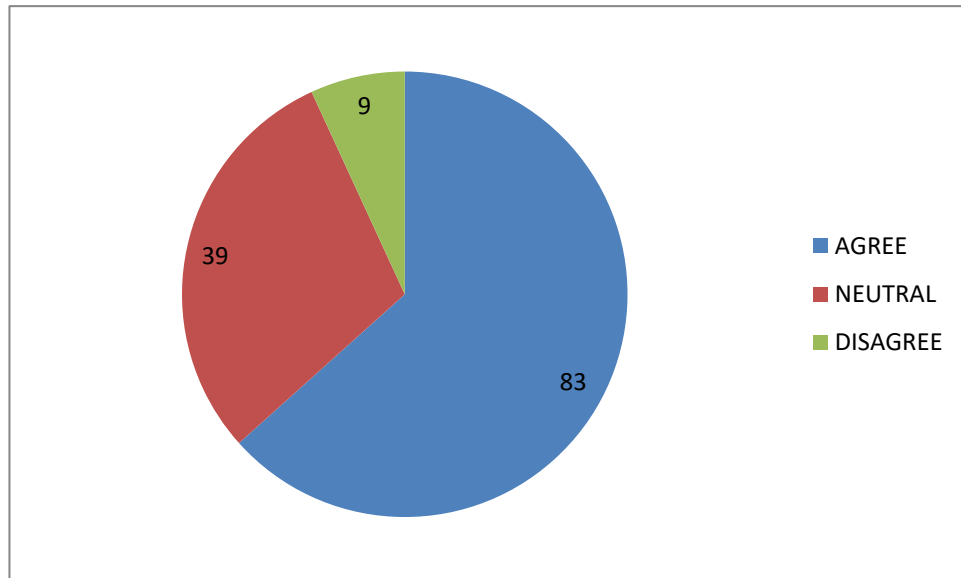

131 Responses

- From the above analysis, 96 students agree that the Academic projects / field projects / Internships in the curriculum facilitating experiential learning & bridge the gap between industry & academics and few of them responded it as neutral and disagree with this.

6. The curriculum and syllabi play a very important role in improving student's employability Skills.

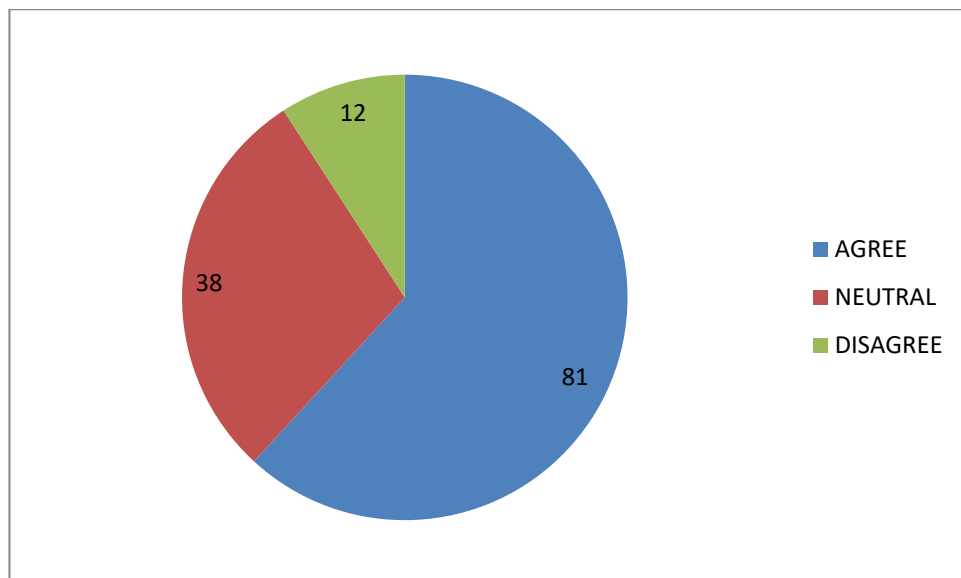

131 Responses

- From the analysis, 83 students have agreed that curriculum and syllabi playing a very important role in improving the employability Skills, 39 students are responded it as Neutral and 9 students are disagree with this.

7. Exams and assignments are reflective of the course content.

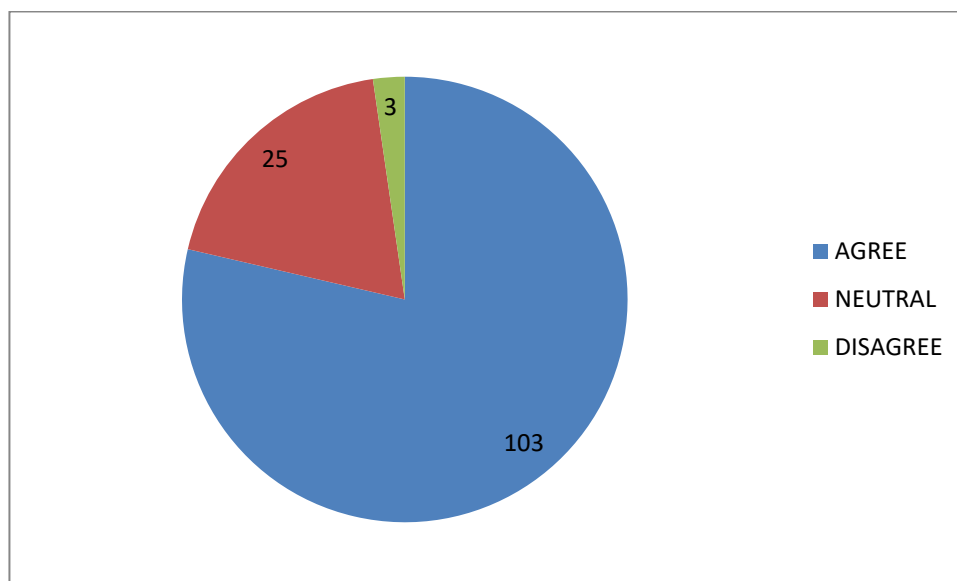

131 Responses

- From the above analysis, 81 students agree that the Exams and assignments are reflective of the course content and few of them responded it as neutral and disagree with this.

8. Internal evaluation system (existing) is effective without any discrimination.

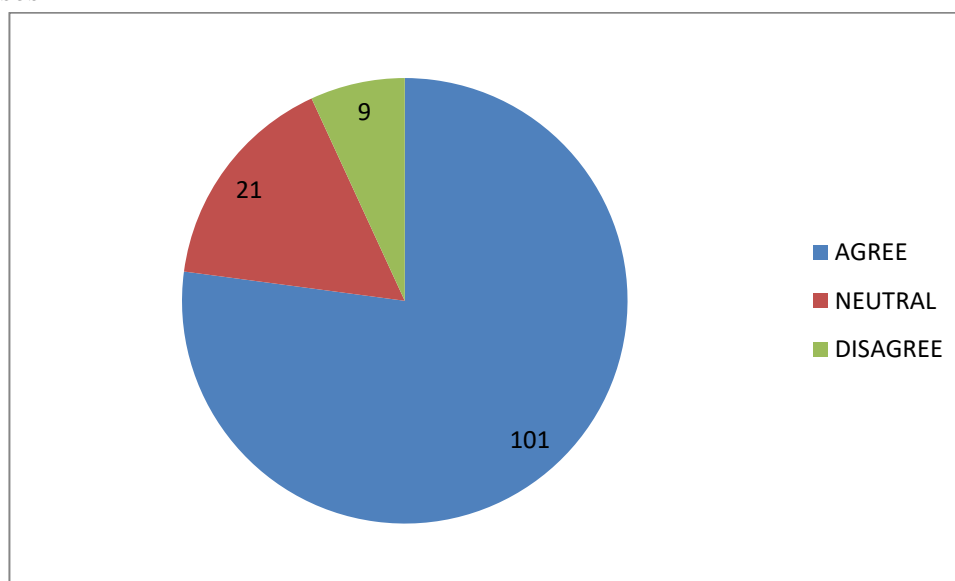

131 Responses

- From the analysis, 103 students have agreed that there is no discrimination in internal evaluation system, 25 students are responded it as Neutral and 3 students are disagree with this.

9. ICT and learning resources (library) are adequate and appropriate.

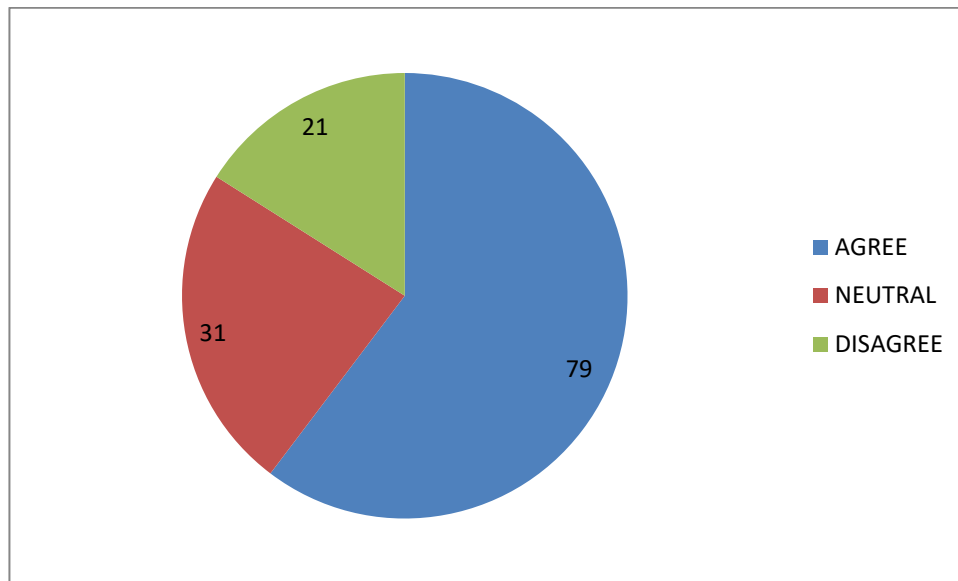

131 Responses

- From the above analysis, 101 students agree that there is adequate ICT and learning resources are available and few of them responded it as neutral and disagree with this.

10. Usage of Online teaching and learning tools is satisfactory.

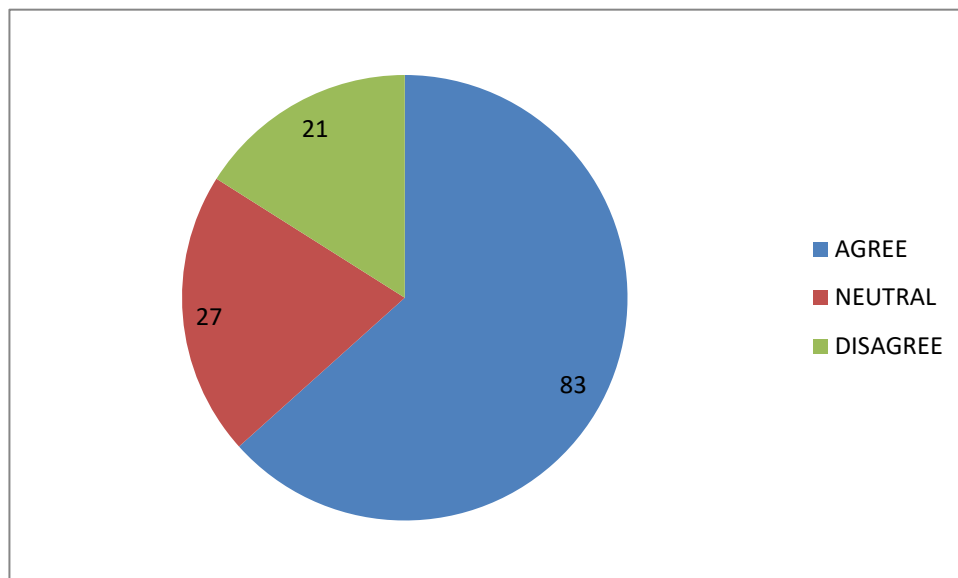

131 Responses

- From the analysis, 79 students have agreed that the usage of Online teaching and learning tools is satisfactory, 39 students are responded it as Neutral and 9 students are disagree with this.

11. Students are encouraged to involve in Co & Extra-curricular activities.

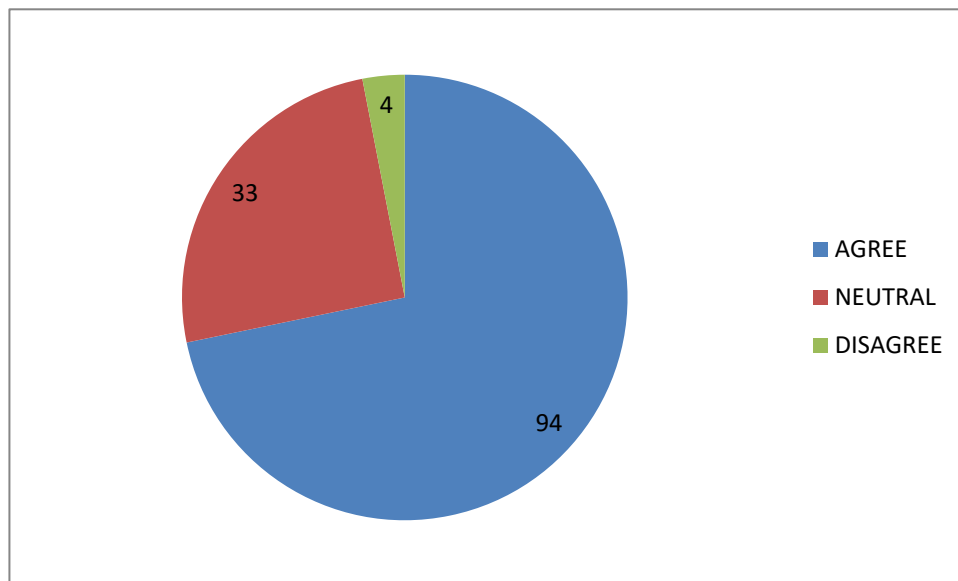

131 Responses

- From the above analysis, 83 students agree that the Co & Extra-curricular activities are encouraged in the institution and few of them responded it as neutral and disagree with this.

12. Faculties are having adequate teaching abilities to handle courses.

131 Responses

- From the analysis, 94 students have agreed that the Faculties are having adequate teaching abilities to handle courses , 33 students are responded it as Neutral and 4 students are disagree with this.

PG (MBA) Students Feedback Form

1. The curriculum enhance students practical and research oriented skills.

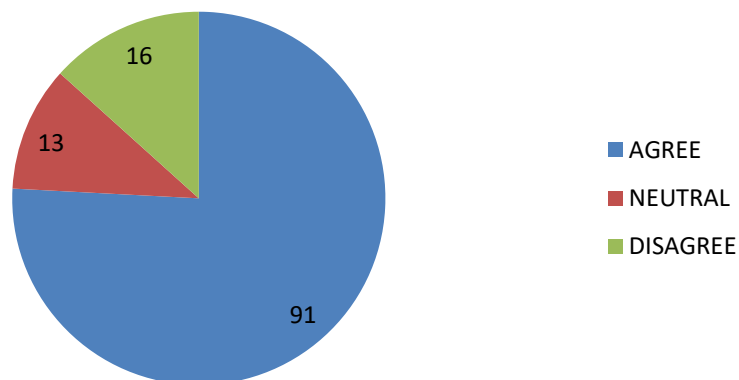

120 Responses

- From the above analysis, 92 students agree that the curriculum is enhancing the student practical and research oriented skills and few of them responded it as neutral and disagree with this.

2. The present syllabus is designed & revised to cater the needs of the students.

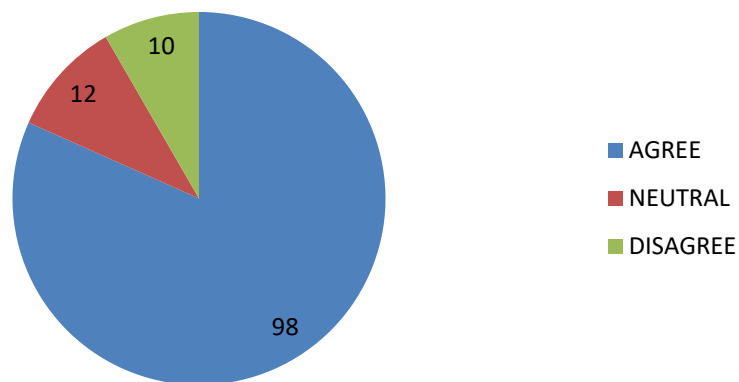

120 Responses

- From the analysis ,91 students has agreed that the present syllabus is designed and revised to cater the need of the students ,13 students are responded it as Neutral and 16 students are disagree with this .

3. The present semester CBCS curriculum focuses on student's centred learning.

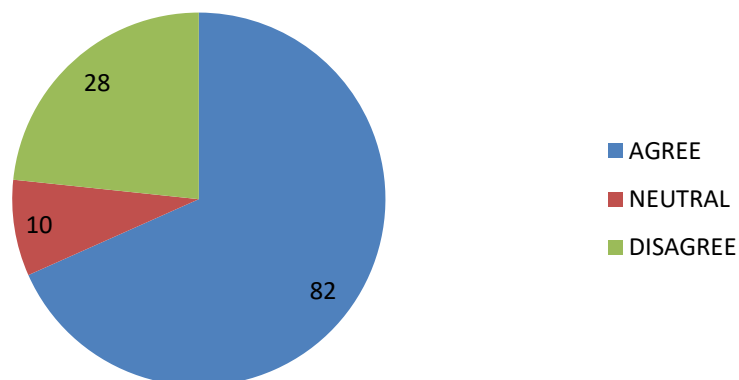

120 Responses

➤ From the above analysis, 98 students agree that the curriculum focuses on student's centred learning and few of them responded it as neutral and disagree with this.

4. Course contents and outcomes of the program are discussed with students.

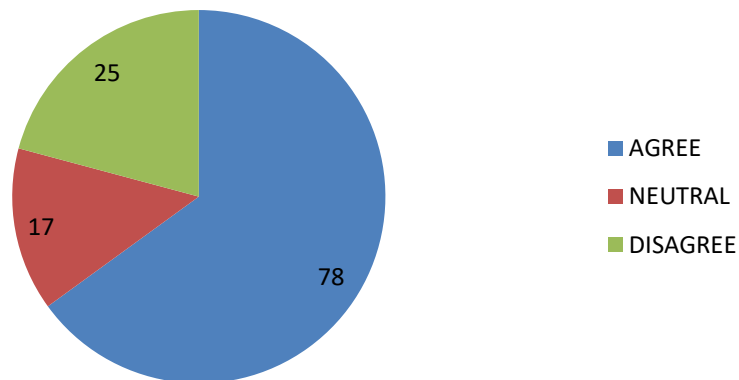

120 Responses

➤ From the analysis, 82 students have agreed that the Course contents and outcomes of the program are discussed with students, 10 students are responded it as Neutral and 28 students are disagree with this.

5. Academic projects / field projects / Internships in the curriculum facilitate experiential learning & bridge the gap between industry & academics.

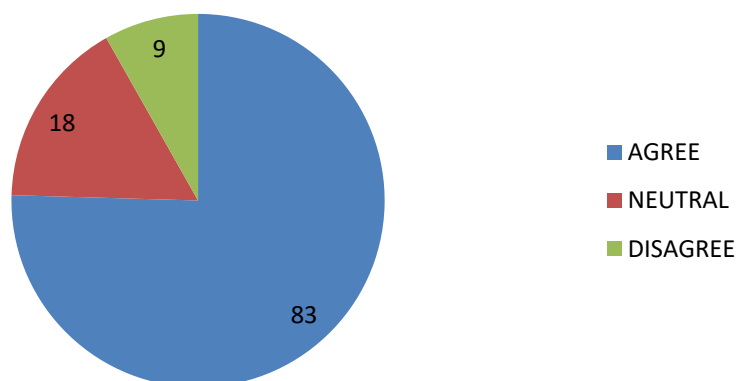

120 Responses

- From the above analysis, 78 students agree that the Academic projects / field projects / Internships in the curriculum facilitating experiential learning & bridge the gap between industry & academics and few of them responded it as neutral and disagree with this.

6. The curriculum and syllabi play a very important role in improving student's employability Skills.

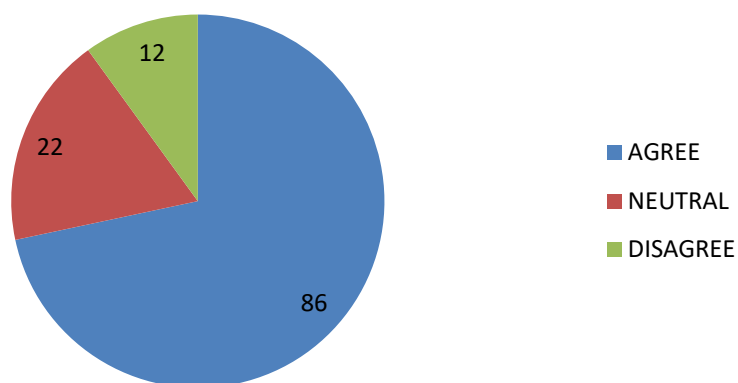

120 Responses

- From the analysis, 83 students have agreed that curriculum and syllabi playing a very important role in improving the employability Skills, 18 students are responded it as Neutral and 9 students are disagree with this.

7. Exams and assignments are reflective of the course content.

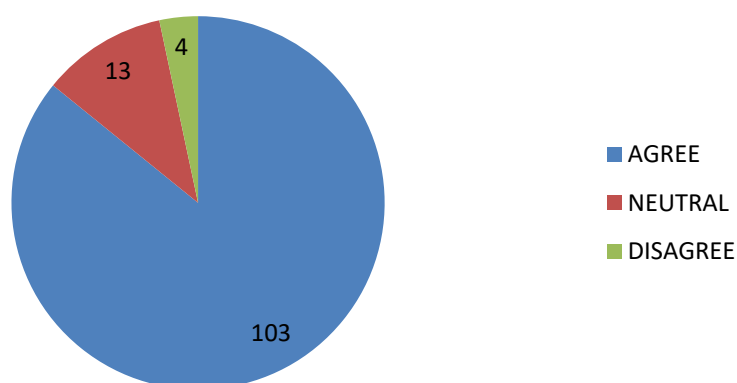

120 Responses

- From the above analysis, 86 students agree that the Exams and assignments are reflective of the course content and few of them responded it as neutral and disagree with this.

8. Internal evaluation system (existing) is effective without any discrimination.

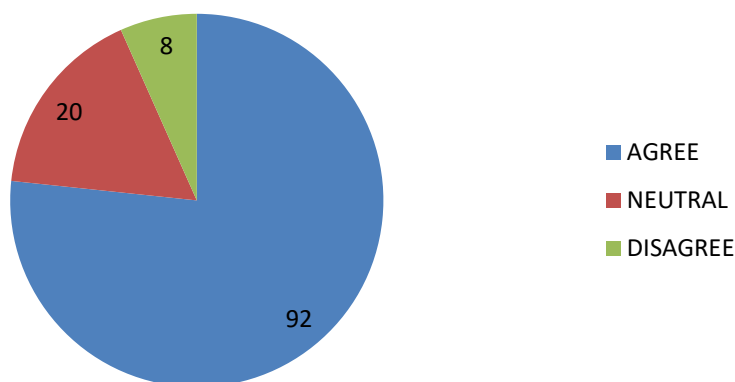

120 Responses

- From the analysis, 103 students have agreed that there is no discrimination in internal evaluation system, 13 students are responded it as Neutral and 4 students are disagree with this.

9. ICT and learning resources (library) are adequate and appropriate.

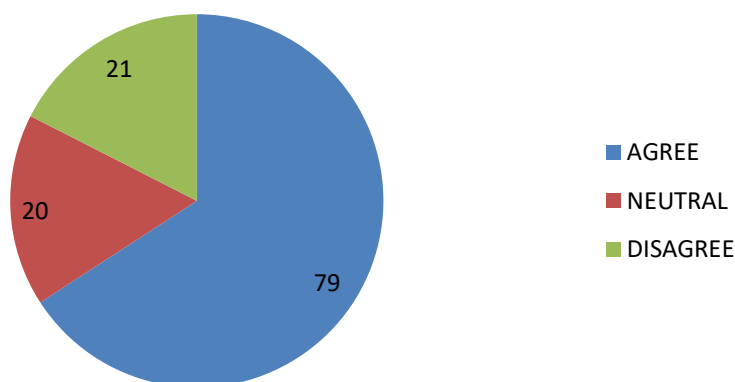

120 Responses

- From the above analysis, 92 students agree that there is adequate ICT and learning resources are available and few of them responded it as neutral and disagree with this.

10. Usage of Online teaching and learning tools is satisfactory.

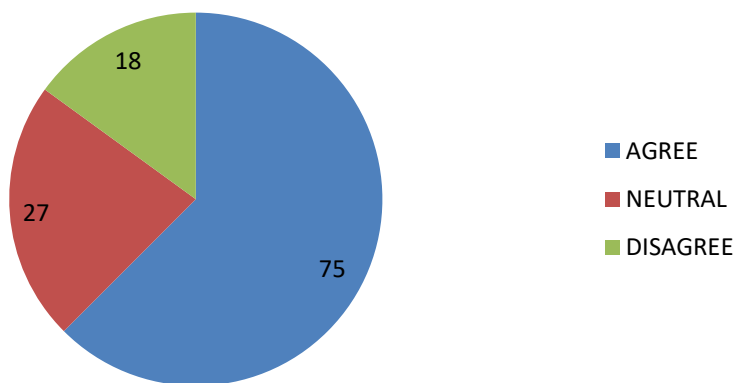

120 Responses

- From the analysis, 79 students have agreed that the usage of Online teaching and learning tools is satisfactory, 20 students are responded it as Neutral and 21 students are disagree with this.

11.Students are encouraged to involve in Co & Extra-curricular activities.

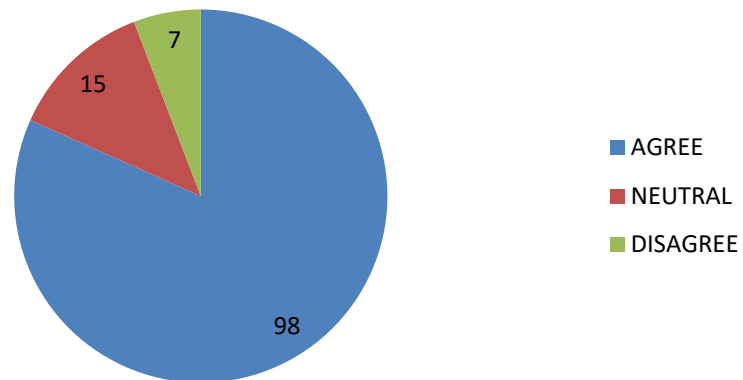

120 Responses

- From the above analysis, 75 students agree that the Co & Extra-curricular activities are encouraged in the institution and few of them responded it as neutral and disagree with this.

12. Faculties are having adequate teaching abilities to handle courses.

120 Responses

- From the analysis, 98 students have agreed that the Faculties are having adequate teaching abilities to handle courses, 15 students responded to it as Neutral and 7 students disagree with this.

UG FACULTY FEEDBACK FORM

Total No of Faculty feedback collected:

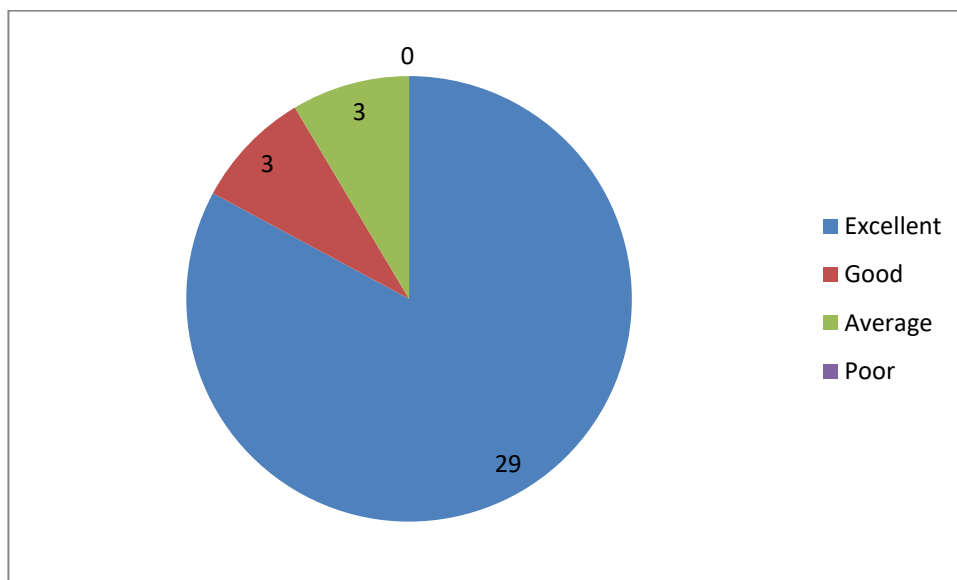

Feedback type: Offline

The Faculty is very important stakeholders of the institution .In internal and external quality assurance cell the faculty play a significant role in the process of progression of the students and the institution .In this process 65 faculty feedback collected from all the departments of UG, MBA & MCA.

All the responses on different aspects are presented below according to the departmental wise.

1. Rate the structure of the curriculum framed for the entire Program?

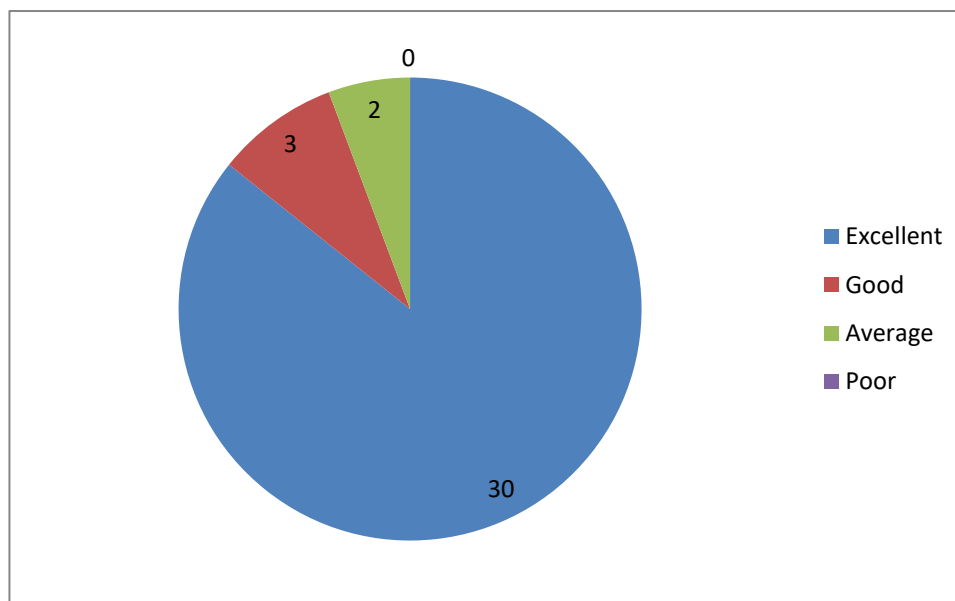

35 Responses

- From the analysis, 29 faculties have given that the structure of the curriculum framed for the entire Program is Excellent, 3 of them given it as good and average.

2. Rate the depth of the syllabus for the courses in relation to the Competencies expected by Current Global Scenario/Industry.

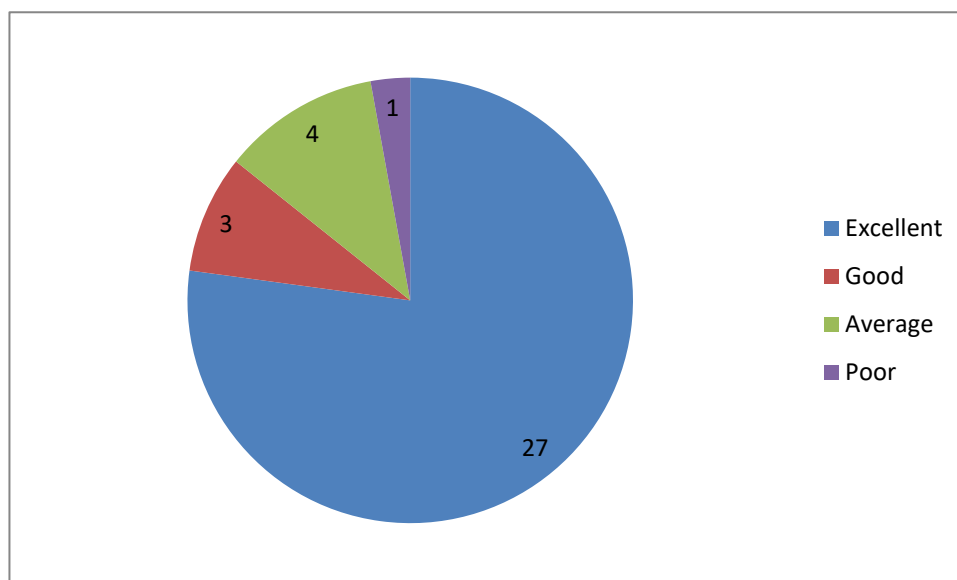

35 Responses

- From the analysis, 30 faculties have given that the depth of the syllabus is Excellent to the Compete in Current Global Scenario/Industry, 3 of them given it as good and 2 of them given it as Average.

3. The contribution of the courses in terms of Professional Core areas?

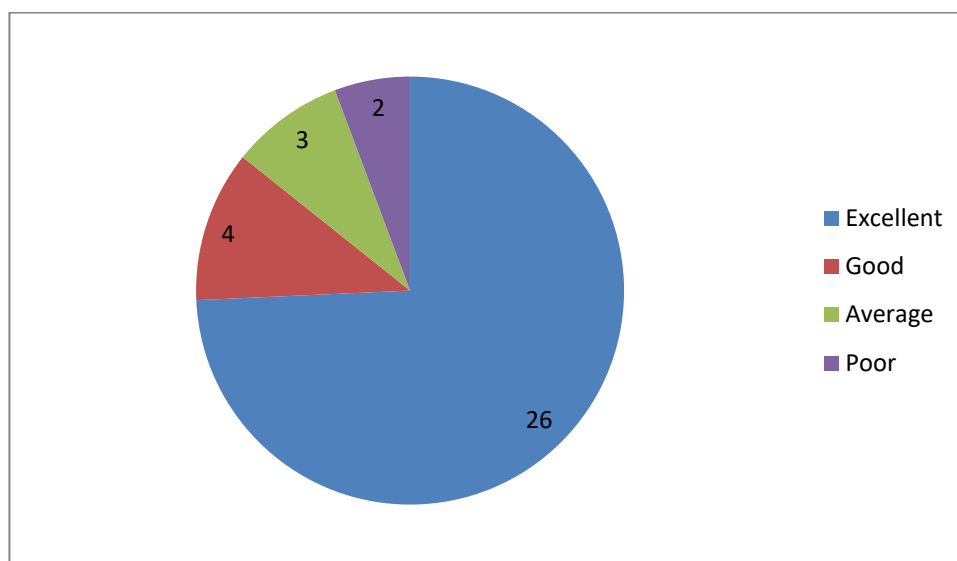

35 Responses

- From the analysis, 30 faculties have given that the depth of the syllabus is Excellent to the Compete in Current Global Scenario/Industry, 3 of them given it as good and 2 of them given it as Average.

4. Rate the Potential of the Student in Understanding the course Objective?

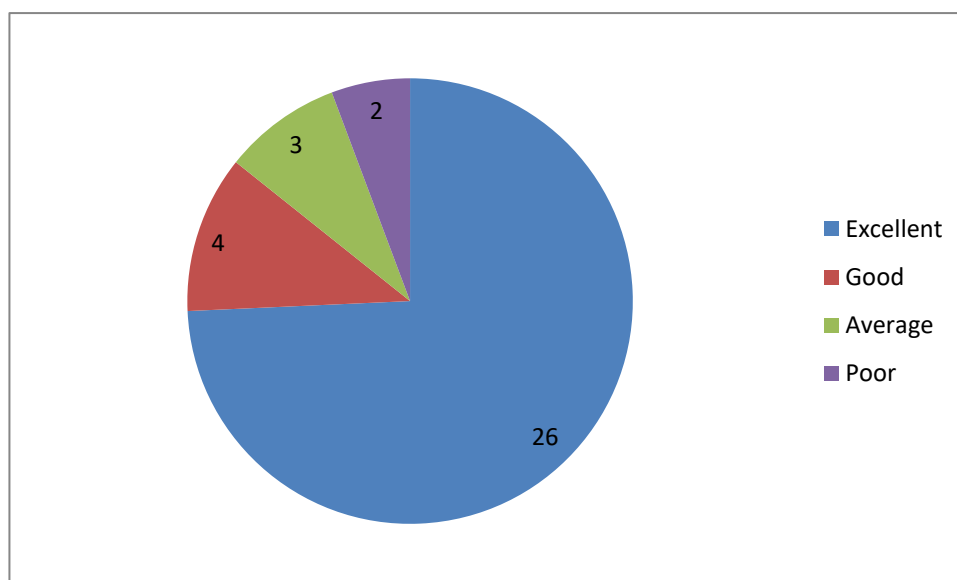

35 Responses

- From the analysis, 26 faculties have given that the potentiality of the Student is excellent in understanding the course objectives, and few of them responded it as good, Average and poor.

5. Rate the Distribution of credits to the Courses?

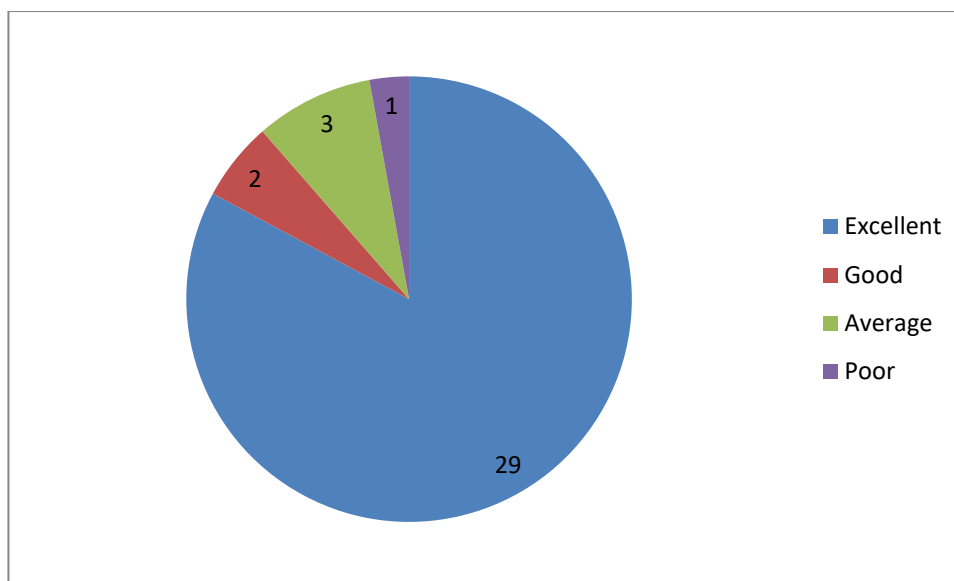

35 Responses

- From the analysis, 26 faculties have given that the credit distribution to the courses is excellent, 4 of them given it as good, Average and poor.

6. Do the Syllabus Contain adequate Technical Skills for the students to face the industry?

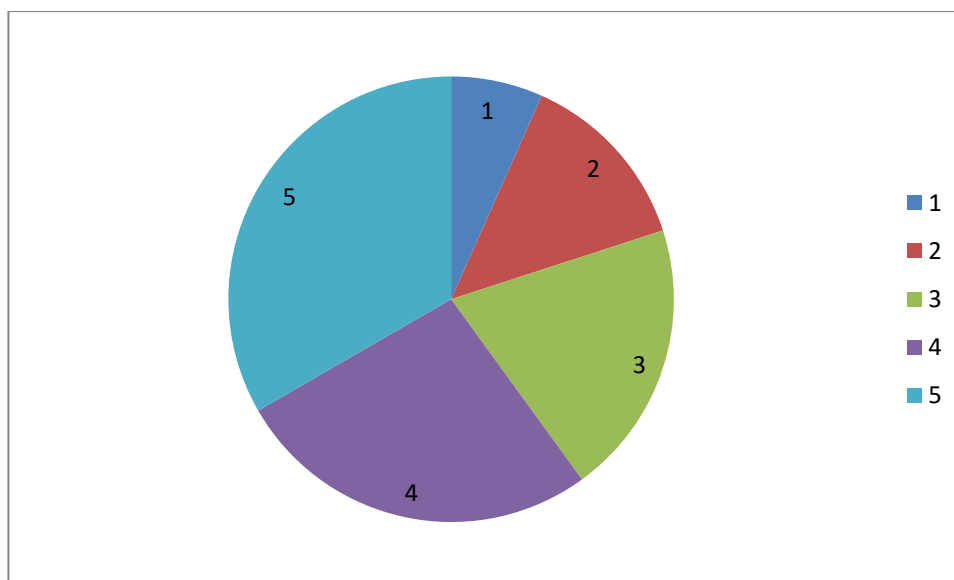

35 Responses

- From the analysis, 29 faculties have given that the syllabus contain adequate technical skills, and few of them responded it as good, Average and poor.

7. Rate the Sequences of the model/Units in the Courses?

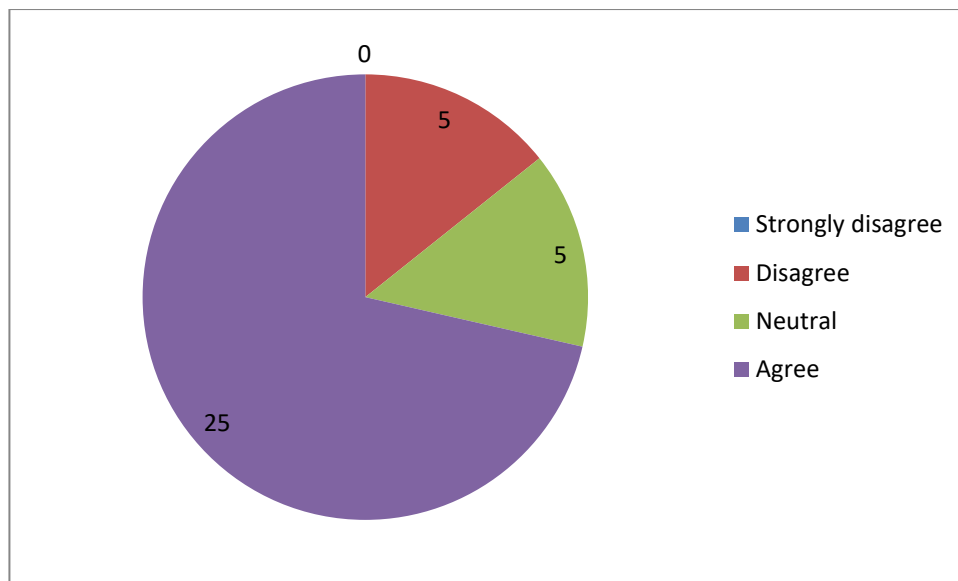

35 Responses

- From the analysis, 29 have given that the 5 rating for the Sequences of the model/Units in the Courses, few of faculty given it as 4, 3 & 2.

8. Curriculum is effective in enhancing constructive learning.

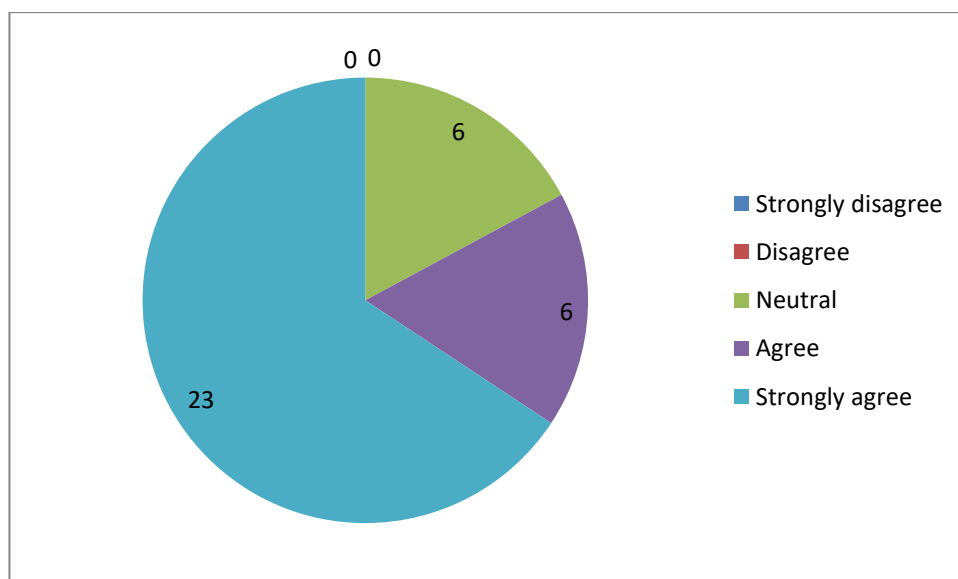

35 Responses

- From the analysis, 25 faculties have agreed that the curriculum is effective in enhancing the constructive learning and few of them is given it as neutral and disagree.

9. The books prescribed/listed as reference Materials relevant, updated and appropriate?

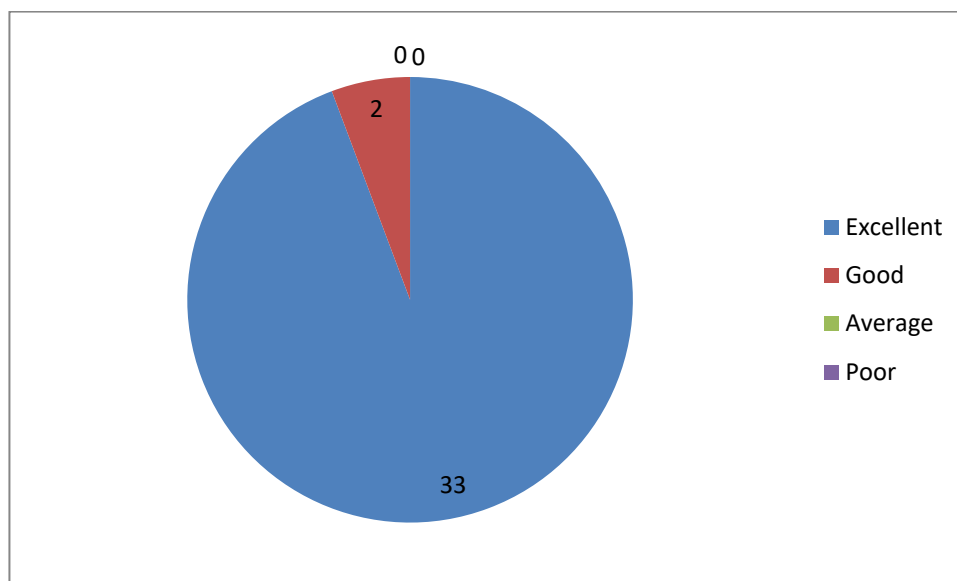

35 Responses

- From the analysis, 23 faculties have agreed that the books prescribed/listed as reference materials relevant, updated and appropriate and few of them is given it as neutral and disagree.

10.Overall Teaching Experience?

35 Responses

- From the analysis, 33 faculties have given the overall teaching experience is excellent, 2 of them given it as good.

UG ALUMINI FEEDBACK FORM

Total No of Alumini feedback collected: 165

Feedback type: Offline

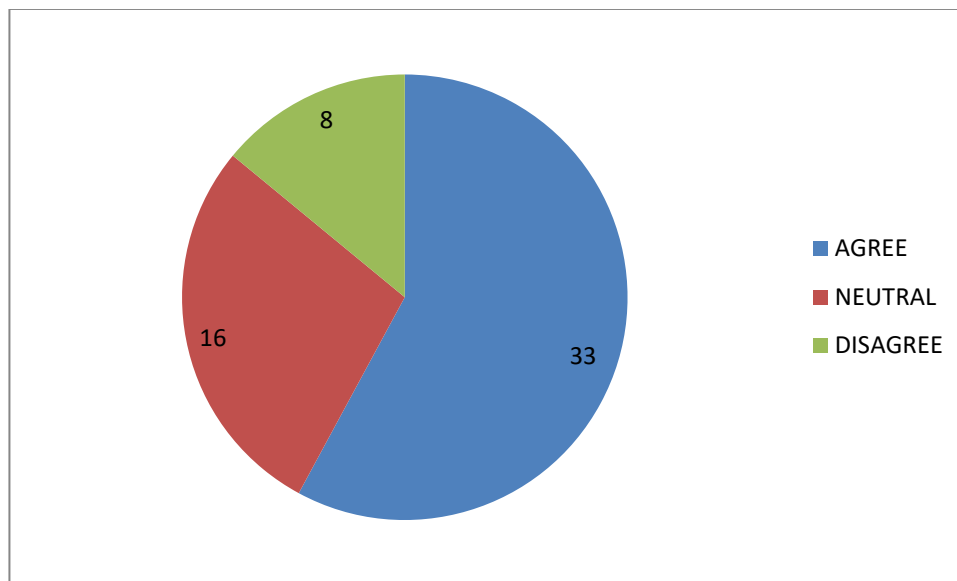

Alumni feedback on the curriculum is a valuable resource for institutions. It provides insights into the effectiveness of the educational programs and helps in identifying areas for improvement. Sharing their experiences and perspectives on the curriculum, it gives institutions an opportunity to assess the relevance, rigor, and practicality of the courses offered.

By analyzing the feedback, institutions is identify the strengths and weaknesses in the curriculum and make informed decisions to enhance the learning experience for current and future students. In these process alumni 165 feedback has considered from all the departments of UG, MBA & MCA.

All the responses on different aspects are presented below according to the departmental wise.

1. Does the Curriculum have contributed towards our holistic development?

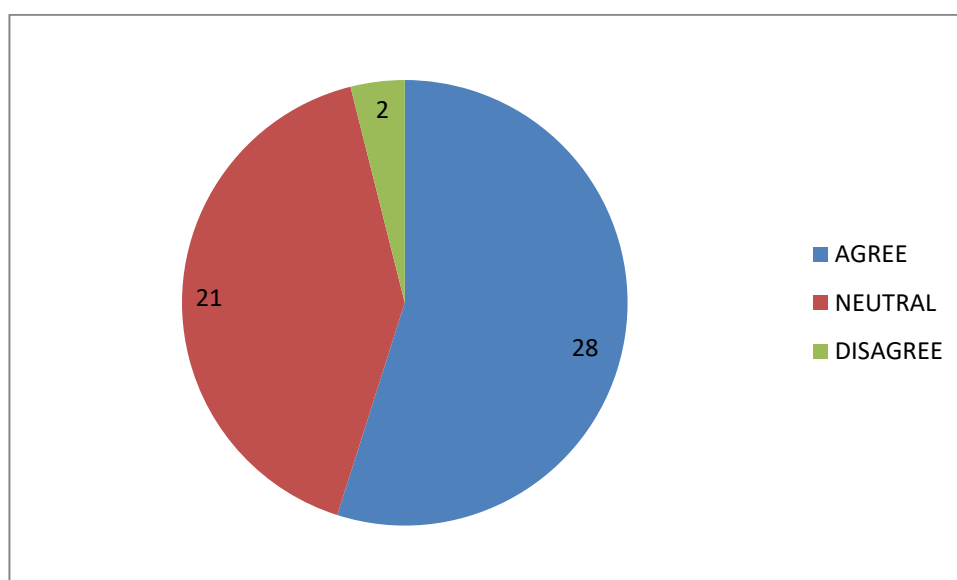

51 Responses

- From the analysis, 33 Alumini have agreed that the Curriculum have contributed towards our holistic development, 16 students are responded it as Neutral and 8 students are disagree with this.

2. Does the Curriculum inspire you to pursue higher education /career?

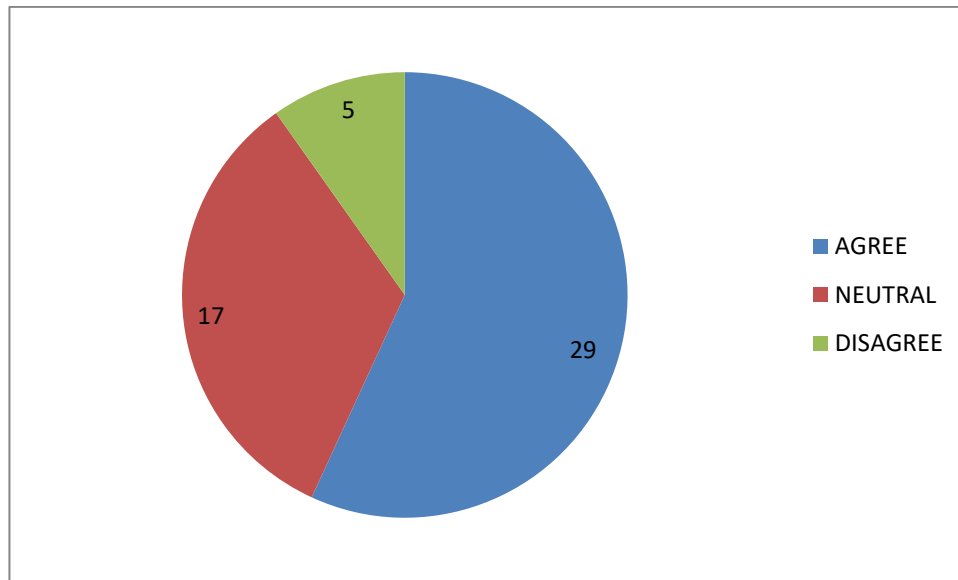

51 Responses

- From the analysis, 28 Alumini have agreed that the Curriculum is inspiring to pursue higher education and carrer, 21 students are responded it as Neutral and 8 students are disagree with this.

3. Course curriculum helped us to acquire and hone our skills.

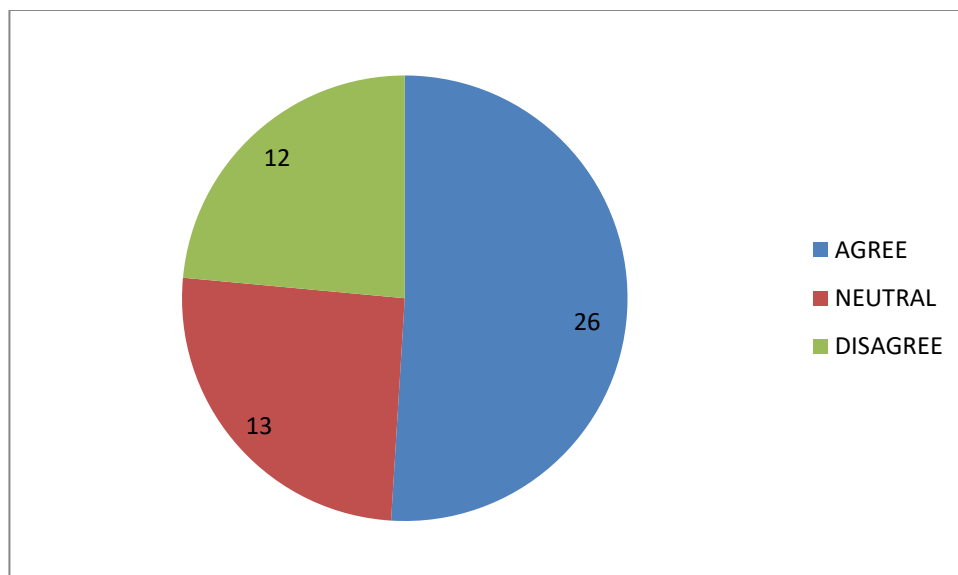

51 Responses

- From the above analysis, 29 alumni agree that the Course curriculum helped us to acquire and hone our skills and few of them responded it as neutral and disagree with this.

4. Technical knowledge gained during the course of study at the institutions was sufficient for the pursuit of job.

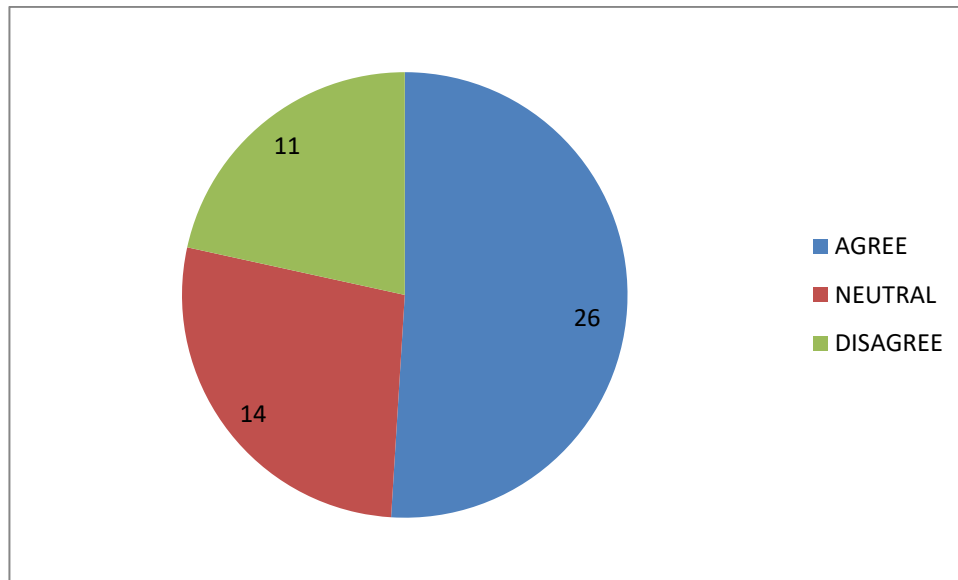

51 Responses

- From the above analysis, 26 alumni agree that the technical knowledge in the course study is sufficient for pursuit the job and few of them responded it as neutral and disagree with this.

5. Value added courses / Certificate courses were designed on the needs of the industry.

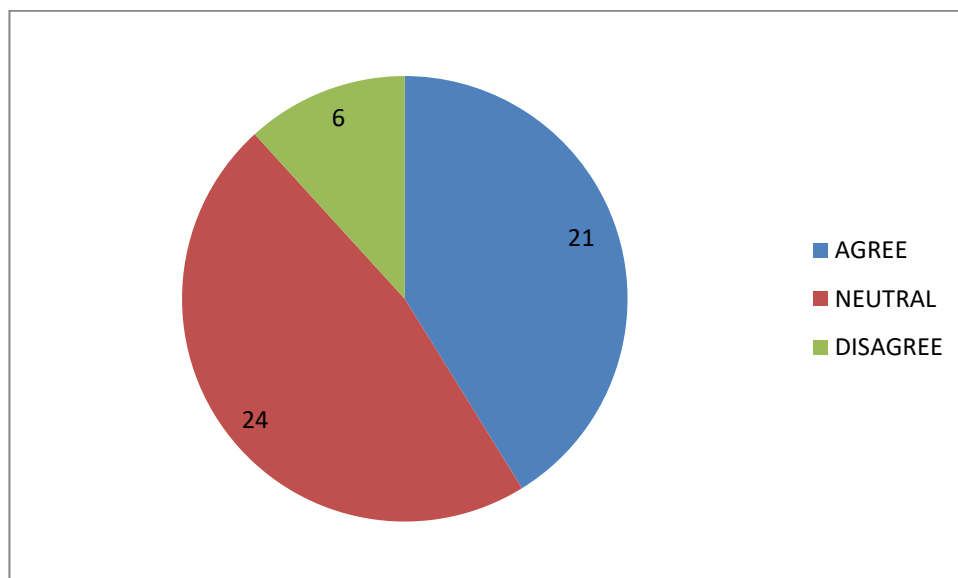

51 Responses

- From the analysis, 26 Alumini have agreed that the certificate course are designed to meet the needs of the industry, 14 Alumini are responded it as Neutral and 11 Alumini are disagree with this.

6. Do the Co-Curricular activities complement the curriculum in gaps?

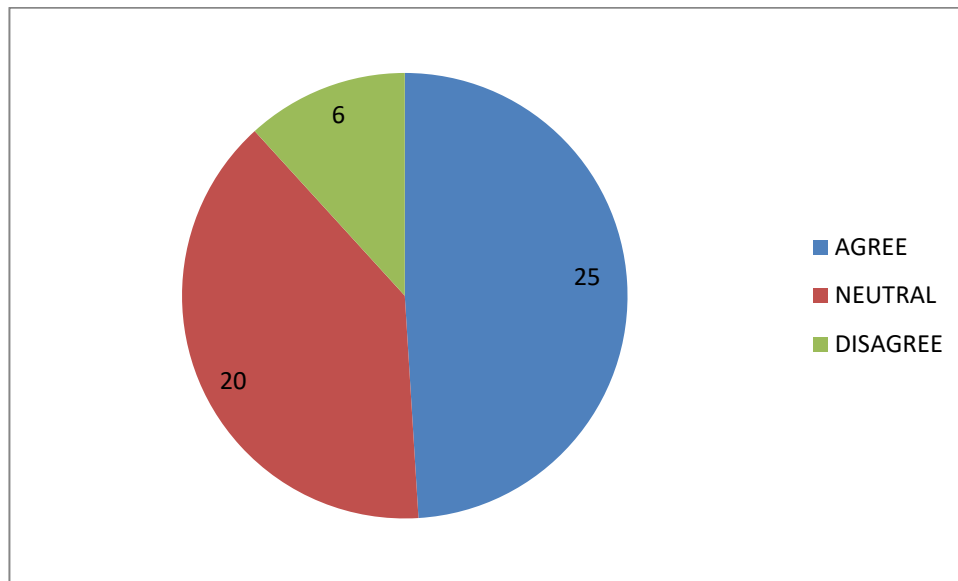

51 Responses

- From the analysis, 24 Alumini have agreed that the curriculum is complement the Co-Curricular activities, 24 Alumini are responded it as Neutral and 6 Alumini are disagree with this.

7. Academic projects / field projects/internships/ field visits/Industrial visits are frequently used by college.

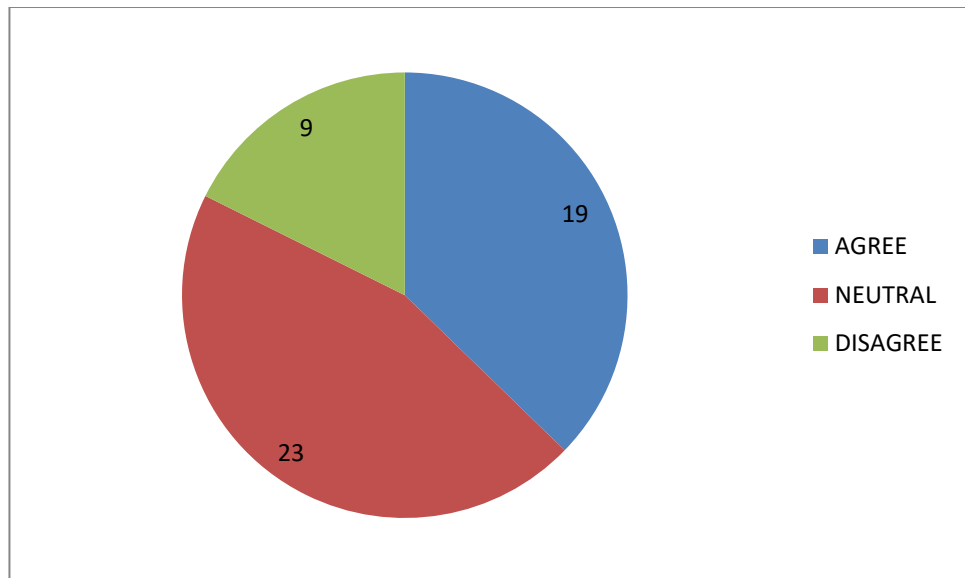

51 Responses

- From the above analysis, 29 alumni agree that the institute provides frequently the field visit, industrial visit and academic projects and internship opportunity and few of them responded it as neutral and disagree with this.

8. Does the Knowledge enrichment programs helped in learning beyond the curriculum.

51 Responses

- From the above analysis, 23 alumni agree that the Knowledge enrichment programs helped in learning beyond the curriculum and few of them responded it as neutral and disagree with this
